

eBooks with your Kindle or Kindle Paperwhite

Select and Download an eBook

1. Use a computer, tablet or smartphone to open the library's OverDrive eBook site
<http://losgatos.lib.overdrive.com/>
2. Use the advanced search or search filters to find an eBook that's available in the **Kindle Book** format.
3. Hold your mouse over the title, then click "**Borrow**" to proceed to checkout or "**more**" to view details about the title. (If the title is currently checked out to someone else, you will see the "**Place a Hold**" button instead of "**Borrow**.")
4. Sign in with your **Library Card Number**.
5. Your bookshelf will open, displaying titles you have borrowed. Click the "**Download**" button and choose the **Kindle Book** format.
6. You will be taken to Amazon's website to complete your checkout.
7. On Amazon's website, follow the on-screen prompts to "Get library book" and wirelessly deliver it to your Kindle device. You will need to sign in to your Amazon account to complete this process.
8. Once you've transferred a library eBook, you can read it on your Kindle just like any other eBook.

Notes:

Library books require a Wi-Fi connection for download to Kindle devices. If you do not have an available Wi-Fi connection, you will need to transfer the eBook via USB.
